I have not, but I can contact them and discuss how they would like us to proceed forward with submission. I will call Brian Bohlmann or Tanner Shatto to see who I should talk to. Thank you for your help with this. If I have any other questions, I will get a hold of you.

Bret

Thanks, that complicates things a little since Wyoming has delegation of NSPS OOOOa. Have you talked to them at all?

Alex,

They are located in the Powder River basin in WY. None of the facilities are located on Indian Reservations.

Alexis,

Thanks for the clarification regarding the spreadsheet and CEDRI. I will proceed with registering an account through CDX.

On behalf of Ballard Petroleum Holdings, LLC, I am requesting the annual report submittal for NSPS OOOOa be extended to December 1, 2018. Ballard Petroleum is still in the process of gathering some of the required information. Please Cc Ben Davis (BDavis@ballardpetroleum.com) with all correspondence.

Thank you for all of your assistance.

Regards,
Bret

That's the spreadsheet I know so well!

Yes, you'll have to create an account in order to upload your file.

Do you need more time on your report? Please make that request when and if you need it.

Thanks,

Alex

Hi Alexis,

Thank you for looking into this. Is the attached spreadsheet still able to be used for reporting under NSPS OOOOa for any affected facilities? Also, it looks like we need to get a CEDRI account put together in order to submit.

Hi Bret,

We got the go ahead to use authority in 40 CFR 60.19(f)(2) to change deadlines by mutual agreement. Let me know what reporting obligation you'd like to change and I'll respond.

Thanks,

Alex
